Yearbook Team

Creating a yearbook for a K-9 school with over 650 students and staff is a daunting task. However, this yearbook has proven to be one of the most rewarding experiences we have had since we started designing them from scratch several years ago.

As a team of teachers, Kym Francis, James Gordon and Kristi Specht, we have had a lot of fun putting this book together. We want to thank the grade nines who also contributed to making this book such a success;

Britney Alvarez, Savannah Weekes, Zach Dancey, Kaylem Mockford, Danielle Ward, Julie Myrhe, Eric Khumbata and Tyson Pohl.

This yearbook is filled with your snapshots and stories. We hope you enjoy remembering as much as we enjoyed making memories with you. We invite you inside...

Hardisty K-9 School's Admin Team

Mr. Robert Steenwinkel

During the 2013-2014 school year, Hardisty K-9 School has provided a wealth of teaching and learning opportunities for our community of students, parents and staff. Throughout the year we were faced with new challenges and areas for growth and as we moved forward, we continued to foster this unique kindergarten to grade nine environment as we took on projects and assignments and learned to be respectful through fostering positive relationships.

At Hardisty K-9 School we have a diverse group of leaders who have created a multitude of experiential opportunities this year for our learners. Our year has been rewarding and fulfilling and we owe this to the many talents of the community who make up our learning space.

As the year concluded we bid farewell to members of our community and we trust that the life lessons that they have learned will serve them well as they continue to be confident and caring citizens of our world. I wish them all the best and look forward to hearing about their challenges and successes as they move forward, building relationships in a responsible and respectful manner.

Ms. Linda Lindsay

Moving to a new school, and into a new position was a big deal for me, and I am so fortunate that Hardisty K-9 School is my new home. I feel so privileged and blessed to be working with such a wonderful school community. Everyone, the teaching staff, support staff, students and parents have been so welcoming and a pleasure to work with.

Part of the fun of a new experience has been getting to know everyone, as we create an environment where we can work together to deliver engaging learning opportunities for all of our students throughout this past school year, and beyond.

I have had so many opportunities to be in classrooms and observe the awesome teaching and learning happening at Hardisty School, from kindergarten to grade nine. I am excited for our oldest group of students, as they move on to their next adventures in learning at the high school level. What an exciting time! I am equally excited for all of our students who will continue at Hardisty next year, and continue to grow as learners.

Our school prides itself on Respect, Responsibility and Relationships. These have been made evident to me on a daily basis when I see students at every grade level working hard to make people feel welcome, are helpful with each other and just generally act with kindness. One morning I was giving a new family a tour of our building and as one of our junior high school students came around the corner she said, "Welcome to Hardisty". Experiences like that one that happen all the time and make me so proud of the work that happens at Hardisty, both in and out of the classroom. Thank you Hardisty School community for a wonderful year.

Ms. Tara Copeman

I have been at Hardisty for almost 10 years now, and I can say that it just gets better and better every year! There are some things that I always look forward to, like the Christmas Dance-Off competition for Junior High, and the baby chicks that hatch in the Kindergarten room every spring. I love our crazy dress-up days like Twin Day, 100 Day, and Character Day - its so cool to see what different students and teachers come up with!

As well, we sure have some talent in our building, and I enjoyed attending Christmas concerts, Hardisty Rocks, and our Band concerts. I got to see students show off other talents on the slopes at Rabbit Hill with our Ski n' Snowboard club,
at the Eastglen Basketball tournament, and coaching the competitive Badminton club. I also witnessed a number of students share their talents leading the Worship Team, and the planning, art, poems, and plays that each of our Logos classes contributed to Chapels.

My other favorite part of this year was getting to be a substitute teacher in almost every class. It was so fun to have Grade 1's read to me and to see Grade 3's practice Reader's Theater! I even remembered how to reduce fractions to the lowest common denominator so I could teach Grade 6 Math (phew!). I also really enjoyed working with Grade 7's in Social Studies to do a special service project for survivors of Residential Schools. Since you know I LOVE technology, one of my very best, favorite days was doing an Hour of Code with students right from Grade 2 to 9!

I am so proud of our amazing staff and students. I love coming to school and being a part of all the wonderful classes, events, and clubs that make Hardisty School such a great place to be every day. Thank you, Hardisty, for another year of beautiful memories.

My Poem — Mikeal Pulling

Don't ever leave me, for my heart shall be broken, shattered into a million pieces. I shall be engulfed by the flames of my inner depression. My demons will overcome my weak walls of my soul, breaking it. My pain and anguish will eat me alive, slowly killing me from the inside. I will have lost my will to live. Forced to lead a depressing, pain filled, foreign life. I shall never feel, understand, or experience love with anyone, like the way I did with you. I will be broken beyond repair. My emotions dead from your abandonment, for I was and still am infatuated with you and everything about you. You are the pillars of which hold me standing tall. But without you, I shall collapse, my walls tumbling down. Without you I am nothing. You are my everything. You are my love.
